

Cut out the squares at the bottom of the page and glue them in the correct place of the Sudoku grid.

Each picture must appear only once in each row and column.

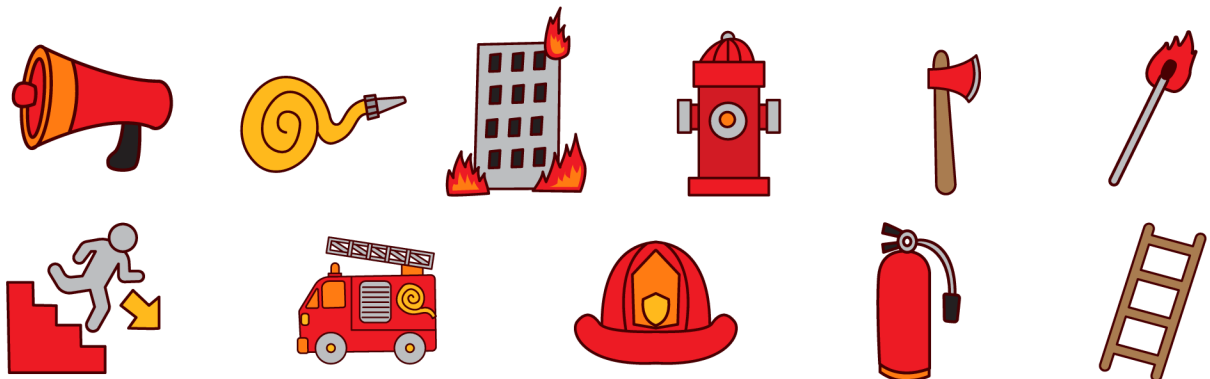

Lennie's Learning Box

Choose the correct picture from the bottom of the page, cut it out, and glue it in the correct place to complete each pattern

|     |                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |                                                                                       |
