

Spot 7 differences

A large, vibrant collage of Christmas-themed illustrations. The central focus is a variety of festive items: Santa Claus in his red suit, reindeer, stockings with green and red stripes, and several wrapped gifts in red and gold. There are also snowflakes, a string of lights, a small train with Santa in the engine, and various holiday decorations like pinecones, holly leaves, and candy canes. The background is white, making the colorful elements stand out. The word 'Christmas' is written in a cursive font at the bottom right.
